

## **INSTRUCTOR II (FIELD)**

**Richard Lloyd Jones Jr. Airport (RVS)  
Tulsa, OK**

Adacel Technical Services, Inc. "ATS" provides a complete set of on-site training services for aerospace and defense markets. Services include instructional delivery, simulation operation and maintenance, instructional system design, and training support.

The Instructor II (Field) will work in an office environment with minimal direct ATS supervision and work closely with FAA personnel.

### **Job Responsibilities**

- Conducts and administers classroom and simulation courses at FAA Field Sites
- Participates in Instructional System Design projects

### **Requirements**

- 5 years of recent Certified Professional Controller experience controlling live traffic OR recent experience as a contract Instructor at an FAA facility
- Recent experience must be at the same type and same level of ATC facility
- Must be able to pass a Government background check investigation
- Must be able to obtain a Public Trust Clearance
